## TRAEGER PRIME RIB ROAST

DIFFICULTY **2/5**  
PREP TIME **24 HRS**  
COOK TIME **4 HRS**  
SERVES **8-12**  
HARDWOOD **CHERRY**

### INGREDIENTS

1 (5-7 BONES) PRIME RIB ROAST  
TRAEGER PRIME RIB RUB, *AS NEEDED*

### PREPARATION

Coat the roast evenly with the Traeger Prime Rib Rub and wrap in plastic wrap.  
Let sit in the refrigerator for 24 hours.

When ready to cook, set the temperature to High and preheat, lid closed for 15 minutes.  
Place the prime rib fat side up, directly on the grill grate and cook for 30 minutes. Starting at a higher heat will help to develop a crispy, rendered crust.

After 30 minutes, reduce the grill temperature to 325°F.

Close lid and roast at 325°F for 3-4 hours or until cooked to desired internal temperature, 120°F for rare, 130°F for medium rare, 140°F for medium and 150°F for well done.

Remove from grill and let rest 15 minutes before carving. Enjoy!

*\*Cook times will vary depending on set and ambient temperatures.*

Merry Christmas!  
Pete, Ryan, Trey & Brandi

# CATTLEVACBOX

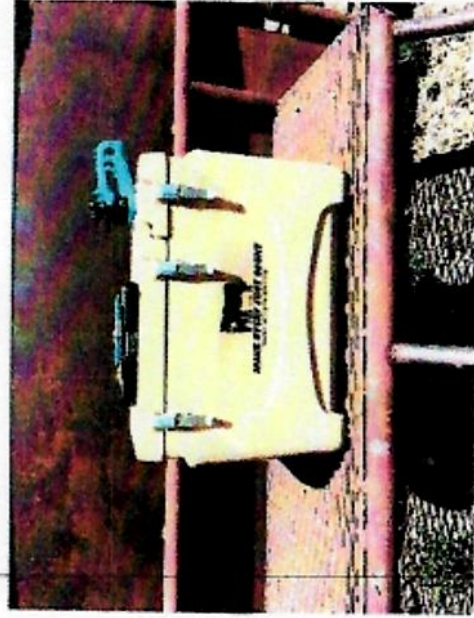

**MAKE EVERY SHOT COUNT**

[WWW.CATTLEVACBOX.COM](http://WWW.CATTLEVACBOX.COM)

**Protect your vaccine, so it can protect your herd. Vaccines break down in sunlight and warm temperature, making them less effective and even dangerous. Make your vaccine program pay for itself by protecting your investment, Misuse and mishandling can cost you, your profit.**

**Use the CATTLEVACBOX next time you work your herd.**

**Get the most out of your vaccines. Keep them cool, clean, sorted and protected while processing your cattle. The CATTLEVACBOX is insulated and with the use of ice packs you can make sure your meds are kept at the right temps. The box comes with a specially designed tray to help eliminate cross contamination of your vaccines by keeping them individually organized in each row. Individual divisions keep your transfer needles separated also.**

**ALL IN ONE VACCINATION STATION**

**GIVE EM' THEIR BEST SHOT**

**The CATTLEVACBOX has dual lids and two separate compartments. One side for meds and one side for syringes and sharps container. The cattlevacbox has slots for your syringes to keep them out of the sun protecting the vaccine and your workers, allowing easy access to either side and safer handling. The clipboard attaches to the lid, keeping your records close at hand. Under the syringe slots is your sharps container. Just remove your used needle, drop into a slot. Then dispose of them**

**properly**

**The CATTLEVACBOX protects your vaccine, no matter if you work yours chute side or drag them to the fire. Comes with a cool pack, clipboard, and sharps container. Made in the**

Spartan Foundation  
[spartanyouth1@gmail.com](mailto:spartanyouth1@gmail.com)

To Whom it May Concern

This letter is to inform you about the Spartan Foundation. The idea for a school foundation came about during a communications committee meeting at Ansley Public Schools. This committee saw a need for:

- bridging the gap between the school and community members, especially those without a current student attending school
- a place that alumni and community members could easily be involved with the school
- streamlining or organizing all the smaller organizations, working towards a common goal
- increasing the opportunity for student scholarships and staff/community grants

The Spartan Foundation is in the beginning stages of organization. On December 3<sup>rd</sup>, a meeting was held to discuss interest in the foundation and to set goals.

Goal 1-Increase scholarships for Ansley & Litchfield Students

Goal 2-Increase Staff/Community Grants

Goal 2- Give organizations the opportunity to join Spartan Foundation

Goal 3- Decrease fundraising through each individual group

Goal 4-Increase volunteer participation in school and community events

We are asking organizations, individuals and businesses to take the time to consider becoming a part of the Spartan Foundation. We plan to have a general fund, scholarship fund and a fund for contributions that are earmarked for future projects. You can participate by contributing to any of the fund accounts, by volunteering your time at a Spartan Foundation event, or both. Anyone that volunteers for a Spartan Foundation event will be given priority when applying for grants. If interested in this opportunity, please plan on attending our next meeting on January 6<sup>th</sup>-7:00 pm at Beanie's Sports Bar & Café (215 N Main) in Litchfield.

*Questions or to RSVP for this meeting.*

Please call 308-212-0302 or email [spartanyouth1@gmail.com](mailto:spartanyouth1@gmail.com)

We look forward to hearing from you!

Spartan Foundation

Here's wishing you and your family a Merry Christmas and Happy New Year.

Please have a safe and happy break!

We need to make you aware of a change coming in the New Year. Due to the number of students involved in the VIP program this year, we need to change the homework situation. Starting in the New Year, we will only be doing homework in the homework room until 4:45 due to supervision issues. After 4:45, students will be allowed to continue to work on homework in the concessions area but, otherwise they will be bringing homework home. Please ask your child (children) or check if their homework is complete, as we will no longer be able to guarantee that they have completed it all. Thank you for understanding and help in this matter.

Sincerely,  
VIP Staff
