NATIONAL RAVIOLI DAY –March 20

National Ravioli Day is observed each year on March 20th. As one of the food holidays, it is very popular with pasta lovers.

Ravioli are a traditional type of Italian filled pasta, made up of a filling sealed between two layers of thin egg pasta dough. The ravioli is usually served in either a broth or with a pasta sauce. A variety of filling recipes are available from cheesy to meaty. Served often as the main course, ravioli can also be a side dish or even an appetizer.

Many popular recipes bake or deep fry the ravioli. With chocolate added to the pasta or cream cheese stuffing and a caramel sauce, the dish quickly becomes a dessert! Ravioli can be homemade or may be purchased fresh or frozen in grocery stores. In the United States, Chef Boyardee popularized the canned ravioli. This ravioli is filled with either beef or processed cheese and served in a tomato, tomato-meat or tomato-cheese sauce.

St. Louis, Missouri is where the toasted ravioli got its start. By accident, a ravioli fell into the fryer at Oldani's back in the 1940s. Or so the story goes. If so, it's a delicious one.

HOW TO OBSERVE

Ask Us for Details!

Dear Citizens of Ansley,
The Board of Trustees of the Village of Ansley is aware of the (COVID-19) virus and we are closely monitoring the situation. We are currently working with and following recommendations from Custer County Emergency Management and Communications, Loup Basin Public Health Department, JMMC Hospital, Custer County Board of Supervisors, Callaway District Hospital, and all other Villages, Cities and Towns in Custer County. At this time, there are NO confirmed cases of the (COVID-19) virus in Custer County. We continue to monitor the situation very closely. There are many misconceptions and sources of misinformation around us at this time. Good references for proper steps to take in the midst of this pandemic are as follows:

WWW.LOUPBASINHEALTH.COM

LOUP BASIN PUBLIC HEALTH DEPARTMENT
(FACEBOOK PAGE)

EMERGENCY MANAGEMENT CUSTER
COUNTY, NE (FACEBOOK PAGE)

WWW.CDC.GOV

These resources are very up to date and are keeping very close eyes on this subject as it unfolds. They have good information that the hospitals are using so we would encourage all of you to take a look. As of this time we would also like to inform you that in the midst of a "TOILET PAPER SHORTAGE" as some might say, we ask that you do not flush unnecessary items into the sewer system. These unnecessary items include Clorox Wipes, Baby Wipes, Feminine Products, Paper Towels, Blue Shop Towels, Q-Tips, Etc. In short, the only thing to be flushed down the toilet is Toilet Paper. These unnecessary products will plug the sewer lines in town and eventually our Lift Station. The integrity of our system is very important and we ask you to help us by following this simple step. Suppliers in the area are very diligent about getting toilet paper back on the shelves and they have good suppliers behind them. They are working very hard to make products available and assure us they will keep up. We are monitoring these issues very closely and will continue to inform you all of situations concerning you on these issues as we move forward.

Sincerely,
Trenton Fecht, Village Chairperson

12th Annual Comstock Open Art & Photo Competition

Experience a 20/20 Vision for Art

The 12th Annual Comstock Open Art & Photo Competition will take place at the Gallery: Art & Creativity Center, 80800 Oak Grove Road southwest of Comstock off 21-C Spur, with special thanks to the Custer County Tourism Visitors Committee for funding all paid advertising for the event and sponsored by Vissi d'Arte Club whose membership covers Comstock, Broken Bow, Sargent, Arcadia, Ord, and Milburn.

All are welcome to enter on Saturday, March 28, 8:00 a.m. to 2:00 p.m. Entry fees are \$5 per piece for adults and \$2 for youth, payable on entry day. Entry forms are available at registration; those entering are asked to please have their entries names, preferably one with four words or less. Two- and 3-D art, photography, and fiber art entries are sought from amateur, professional, and youth divisions. "We've always been very happy working with the surrounding schools," commented Della Pulley, club president. She continued, "The amazing level of talent that the youth exhibit is so rewarding to see." We encourage home schooled youth to also enter work. There is no originality or time of execution requirement on any entries and we accept last year's entries in 4-H competitions at county fairs. Framed pieces must have wire hangers, not saw-tooth, as those are impossible to hang from S hooks.

The Gallery will close at 2 p.m. for judging by Alan Bartels, writer, photographer, and for the last three years has filled the esteemed position as Editor of *Nebraska Life Magazine*. "We are so excited to have Mr. Bartels judge and critique this show," said Sue Dowse, club treasurer and past president. "From his vast background as a recognized writer and photographer with *Nebraska Life Magazine*, we have lots to learn during the critique at five-thirty that evening. Along with the exhibiting artists and their families, the public is invited to attend the critique," Dowse went on to state.

Al Bartels persisted for two years to have his work published in *Nebraska Life Magazine* and finally it happened.

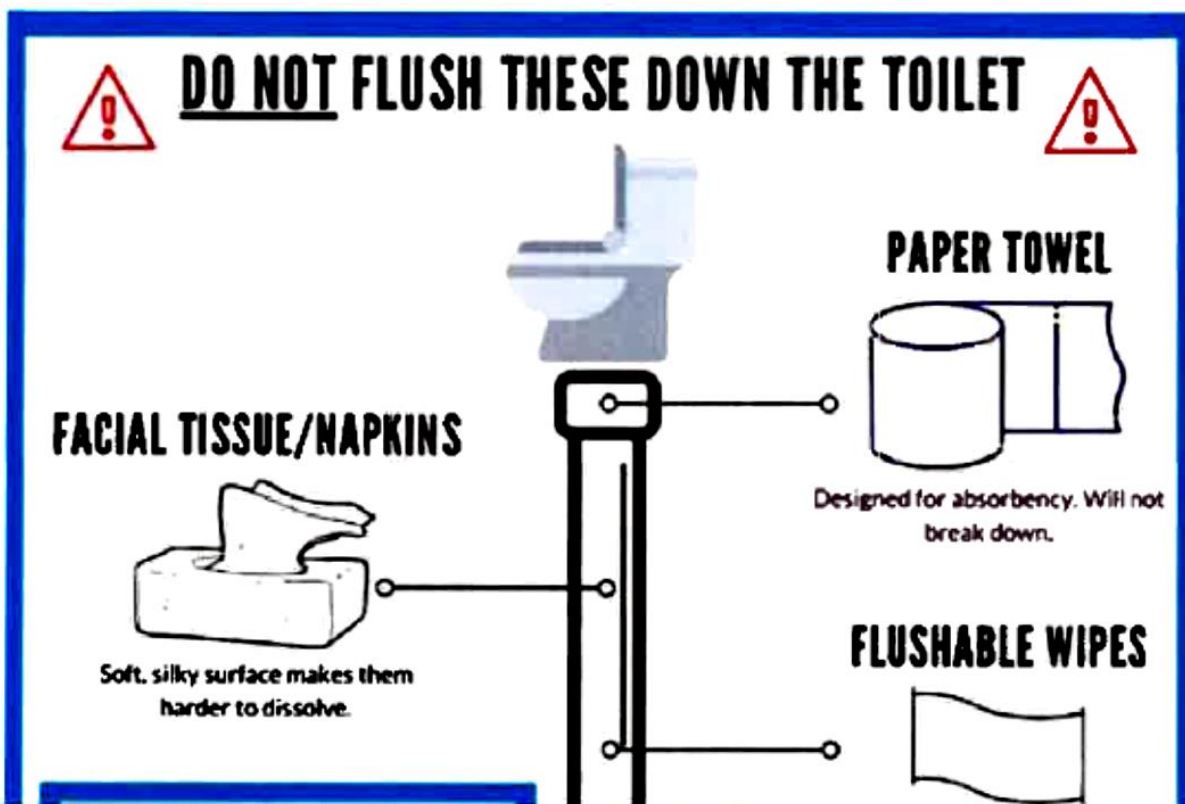

He then had his stories and photos in every issue for the next three years (2007-2010). At that time Al was asked to join the magazine's staff. Al has not only had a children's book published in 2018, "What's Going Down in Prairie Dog Town?" with all proceeds going toward Jane Goodall's Roots and Shoots youth service organization, but has also had a photograph of a Blanding's turtle appear in the March 2020 issue of *National Geographic Magazine*. Al is not only passionate about his writing and photography; he has a passion for conservation and has worked as a volunteer at Rowe Sanctuary for seventeen years.

Activities available in Comstock during the hours the gallery is closed for judging include visiting the Pirates Cove Museum (open by appointment, call Terry Drake 308-628-4311). There are two eating establishments in nearby Sargent, as well as many shopping opportunities.

Over \$835 will be awarded in cash prizes, distributed when entries are picked up on the afternoon of Friday, April 24. There are no early releases of entries as Gallery: Art & Creativity Center is part of the Nebraska Grow Art Fest, April 18th. "We are expecting visitors from across and out of state for this tour of art galleries: Gallery: Art & Creativity Center in Comstock; Main Street Gallery in North Loup; and the Golden Husk in Ord, with hands-on art, music, and food throughout the day," said Sue Dowse.

For more information, please call Della Pulley (308) 872-1009, Sue Dowse (308) 215-0076, or Darwin Hunt (308) 789-6290. Neither Vissi d'Arte Club, Gallery: Art & Creativity Center, nor Doyle and Sue Dowse are responsible for theft, loss, or damage to entries.

Preschool Round-Up has been postponed to a later date at Ansley Public School!

Public service announcement from your Local Sewer Utility!! PLEASE... do not flush anything but toilet paper. Not even the stuff that says "flushable"!! It may leave your toilet but it will very likely not make it all the way to our plant.

Everything else belongs in a trash can - or you're going to end up with a plumbing and sewer issue!!
