As many of you have already heard, the Governor has moved to close all schools in Nebraska for the remainder of the school year.

We are deeply saddened by this news. Remote learning will continue, and we will keep you informed as we work out other details regarding this closure.

Thank you for your continued support of our students and staff.

We would like to take this opportunity to point out with all the social distancing and people staying home, until it's safe, that we are offering vegetable plants along with flowers to brighten your day.

This is a great opportunity for people to put in a garden and teach our children about where our food comes from!!

We are here to answer questions and help you with your gardening plants.

NATIONAL FIND A RAINBOW DAY

April 3

Each year on April 3rd, National Find A Rainbow Day challenges us to look to the sky and find a colorful ray of hope cast across it. A spectrum of light in the form of a multicolored arc, appearing in the sky, is caused by both reflection and refraction of light in water droplets in the Earth's atmosphere. These rainbows always appear directly opposite of the sun. The light is refracted (bent) when it enters a droplet of water, then is reflected inside on the back of the droplet and refracted again when leaving it. Red is the color that is visible on the outer part of a rainbow and violet on the inside of a primary rainbow. Children learn in science class the mnemonic ROYGBIV to help them to remember the sequence of colors in a rainbow: red, orange, yellow, green, blue, indigo, violet. Many forms of airborne water can cause rainbows including, rain, mist, spray, and dew.

HOW TO OBSERVE #FindARainbowDay

Find yourself a rainbow or use the garden hose or a prism to make one yourself. Families, students, and classrooms, create a rainbow from the [colorful hearts on this printable](#). There's at least one for every color in the rainbow. Take out your color crayons and finish what we've started. Then cut them out and put them in a cheerful, sunny window to brighten the day of someone passing by. Use #NationalFindARainbowDay to post on social media.

The Agenda, which shall be kept continually
current, shall be readily available for public
inspection at the Superintendent's office during
normal business hours.

Hoping that the virus would simply go
away!! But it's not and it will soon be
very close, the one way we can keep it in
control is to do what they recommend,
and that is social distancing, meaning 6ft
apart, and to stay home as much as
possible. That part is very hard for me
because I will have to continue to shut
my chair down at Main Street Styles for
the safety of my clientele and my family.
I miss you all and will be so happy to be
fixing you up again and hearing all our
isolation stories!!! Hope to see you in May!!
Stay home and be safe! Thank you!

NEWS RELEASE

Date: April 1, 2020

Contact: Judy Petersen (402) 340-0106

Funding available for business during the COVID-19 crisis to keep paying employees. The Paycheck Protection Program ("PPP") authorizes up to \$349 billion in forgivable loans to small businesses to pay their employees during the COVID-19 crisis. All loan terms will be the same for everyone.

Starting April 3, 2020, small businesses and sole proprietorships can apply for and receive loans to cover their payroll and other certain expenses through existing SBA lenders.

The loan amounts will be forgiven as long as:

- The loan proceeds are used to cover payroll costs, and most mortgage interest, rent, and utility costs over the 8-week period after the loan is made; and
- Employee and compensation levels are maintained.

All businesses – including nonprofits, veteran's organizations, Tribal business concerns, sole proprietorships, self-employed individuals, and independent contractors – with 500 or fewer employees can apply.

You will need to complete the Paycheck Protection Program loan application and submit the application with the required documentation to an approved lender that is available to process your application by June 30, 2020.

For more information please visit our website, www.cnedd.org/disaster-relief or call Judy at (402) 340-0106.

Hello from the lunch room

It is so quiet without all the chatter of school kids, and yes, we do miss it!

Lunches started out as a PB&J with fruits and veggies in a grab-n-go bag. The school then added country delivery of meals so those kids can enjoy the delicious food from the school kitchen! The first day of meals we fed 23 kids. Now we are feeding over 100! We have evolved to sloppy joes and chicken alfredo and of course, one of the kids' favorites, chicken nuggets! We have ordered many different veggie and fruit juices to take the place of the fresh fruit and vegetables that are limited for purchase. Hopefully, the kids enjoy the variety of fun things we are trying to incorporate in their menu.

Keep the orders coming and we have enjoyed preparing meals and serving our school kids!

Just a reminder: Please wash hands before each meal

Meals should be eaten immediately

Please rewash fresh fruit

If you do not drink your carton of milk, please refrigerate it

If hot food is leftover, reheat to 165 degrees for 15 seconds

Hope to see you soon,

Mrs. Hartman, Mrs. Bramer, and Mrs. Miller

During school closure, FREE

Grab and Go lunches will be provided to children ages 1-18.

Adults may purchase lunch for \$3.25.

Lunches are available at the North entrance of the building

11:30-12:30

Monday through Friday.

Effective Saturday, April 11th Main Street Styles will be closed until further notice, due to the COVID19 pandemic and social distancing!

If you are in need of salon hair care products, please contact me at my home 308-732-3357 or on my cell phone 308-212-0354. I will make arrangements to get these items to you. Thank you for your business and prayers for our nation's safety throughout this time!

Connie Johnson

For the safety of our community, the decision has been made to cancel the Easter Egg Hunt that was scheduled in the Ansley Park for April 4th. Please stay home and stay healthy.

Ansley Entertainment Exchange

Help yourself and others beat the boredom blues by sharing your gently used board games, puzzles, and books.

Leave
something.
Take
something.

Items will be stored in the front entrance of the school.

**Please disinfect items
before use.**
