FOR IMMEDIATE RELEASE

Village of Ansley offers energy efficiency programs for 2020-21

The Village of Ansley, in partnership with its wholesale electric power supplier, the Municipal Energy Agency of Nebraska, is continuing to provide four energy efficiency programs to assist in lowering energy costs for local utility customers through energy efficiency improvements.

The programs offer cash incentives to make energy efficient upgrades in the areas of insulation, cooling systems, home thermostats and commercial lighting. The programs are available through March 31, 2021 or while program funds last. Here is a rundown of the four programs:

Smart Thermostat Program

Provides a cash incentive of up to \$100 paid directly to residential customers to help cover the cost of installing a qualifying smart thermostat.

Attic Insulation Program

Provides cash incentives of \$0.15 / per square foot with a maximum incentive of \$300 per existing residential dwelling for attic insulation.

Cooling System Tune-Up Program

Provides a \$30 cash incentive to residential homeowners who have their cooling system tuned up by a HVAC contractor, regardless of what type or age of cooling system (air conditioner/air or water source heat pump).

Commercial LED Lighting Program

Provides cash incentives paid directly to commercial customers to help cover the cost of interior lighting upgrades and replacements.

These programs are available to customers of the Village of Ansley through its wholesale power partnership with the Municipal Energy Agency of Nebraska. For more information on these programs, contact Bill Moser at Ansley Utilities or go to www.nmppenergy.org/mean to download program guidelines and application forms.

NATIONAL PINA COLADA DAY – July 10

July 10th recognizes a sweet, rum-based cocktail on National Pina Colada Day. Along with rum, a Pina Colada includes cream of coconut and pineapple juice and is usually served blended or shaken with ice. Pina Colada means 'strained pineapple,' a reference to the freshly pressed and strained pineapple juice used in the drink.

While pineapple has been a part of the distillation history of rum, coconut didn't show up until later. The first written reference to a pina colada was in 1922. However, two different claims to the invention of the pina colada in 1952 come from San Juan. Neither wavers from their story.

No matter who created the first creamy, sweet rum drink, it is forever infused with the ocean and beaches. The cocktail's bright flavor suggests sunshine and vacation. Coconut alone makes us think of suntans while the pineapple's freshness delivers a sparkling note of summer breezes.

The beverage isn't the only way to celebrate either. The day is dedicated to all things pina colada. Whether we make a dessert or snack on pina colada jelly beans, everyone can join in the day.

Put on your sunglasses, kick back, and enjoy a sip or a taste. It's the best way to celebrate.

HOW TO OBSERVE

#NationalPinaColadaDay

Try a [frozen popsicle treat](#) or a pina colada cake. You do not have to be sitting on a beach or the deck of a cruise ship to celebrate this holiday. You can enjoy a nice tall, cool Pina Colada where ever you are! (Remember to drink responsibly and never drink and drive!) Use #NationalPinaColadaDay to share on social media.

GRILLED PIÑA COLADA

PREP TIME-15 Minutes
COOK TIME-10 Minutes
SERVES-4 – 6 People

INGREDIENTS

1 Whole Pineapple, Trimmed, Cored and Cut into Spears
15 Ounce Coconut Milk
7 1/2 Ounce Dark Rum
2 Ounce Light Rum
5 Cup ice

STEPS

When ready to cook, start the Traeger grill on Smoke with the lid open until the fire is established (4 to 5 minutes). Set the temperature to High and preheat, lid closed, for 10 to 15 minutes.

Grill pineapple spears 10 minutes until lightly browned.

Combine 3/4 of the grilled pineapple, coconut milk and both rums in the pitcher of a blender. Add ice and blend until smooth.

Divide blender contents into four glasses and garnish with remaining grilled pineapple. Enjoy! *Cook times will vary depending on set and ambient temperatures.

UPDATE TO ANSLEY RESIDENTS: The Village has received a grant for GIS mapping of our water system. This will provide very detailed mapping of water mains, curb stops, shut offs, water valves, meter pits, fire hydrants etc. with the capability of showing additions and changes to the system well into the future. The project must be completed and paid for by the end of this calendar year before the Village is eligible for reimbursement with the grant funds. **Utility Superintendent Bill Moser has completed the area north of Main Street from the railroad tracks east, and plans to start marking locations the week of July 6th on the south side of Main Street from the railroad tracks east with pink flags and pink paint.**

Continued page 8.

When this second quadrant is completed our engineering firm Miller & Associates of Kearney will come in with a drone to record all the locations in that quadrant for the permanent mapping system. **The NW quadrant of Ansley which included everything north of Main Street from the railroad tracks east has been completed so residents in that area can now remove the pink flags. FOR RESIDENTS ON THE SOUTH SIDE OF MAIN STREET PLEASE DO NOT REMOVE THE PINK FLAGS MARKING LOCATIONS ON OR NEAR YOUR PROPERTY!** We realize mowing season has started, but once the Engineers have been in and recorded everything in the south side quadrant, we will provide an update that area has been completed and Bill will move to the final area which will be everything west of the railroad tracks. The Village will really appreciate your cooperation of leaving the flags in place to avoid doubling the work by having to remark. If you have any questions please call the utility department at 935-1400 or the Village office at 935-1467.

VILLAGE OF ANSLEY BOARD OF TRUSTEES will have two positions open for the election in November, 2020.

Incumbents must file by July 15, 2020, and new filers by August 3, 2020. Please remember you must stop by the Village office to pay the \$10 filing fee first so you can take your receipt with you to the County Clerk's Office where you complete the filing forms. The terms of office are 4 years commencing in December, 2020. Call the Village office at 935-1467 with any questions.

AVTO FOOD PANTRY

We will pack boxes of food, instead of bags.

The boxes will be on a first come, first serve basis.

The contents of the boxes will be based on donations and food pantry supply.

We will be open from 6:00-7:00 pm at our Food Pantry location-708 Main Street.

Food Pantry Dates:

July 16th

Aug. 20th

Please/text 308-212-0302 if you would like to reserve a box for your family.

Custer County Foundation awarded a Playground Equipment grant (\$6,000) that will be used at the Lake Park for a new swing set and merry-go-round!

There were also funds (nearly \$2000) from the playground equipment company granted!

However, we are still lacking funds for surfacing the area with rubber mulch and greatly appreciate any donation; large or small to update our park!

Please make your donation to:

Spartan Foundation
c/o Playground Equipment Fund

Donations can be made at the Custer County Foundation Office, Muddy Creek Ag, or Ansley Lumber
