We hope to see you soon! 😊

Hours: Open on Tuesday and Saturday, from 2:00 PM to 5 PM.

FOR IMMEDIATE RELEASE

Village of Ansley offers energy efficiency programs for 2020-21

The Village of Ansley, in partnership with its wholesale electric power supplier, the Municipal Energy Agency of Nebraska, is continuing to provide four energy efficiency programs to assist in lowering energy costs for local utility customers through energy efficiency improvements.

The programs offer cash incentives to make energy efficient upgrades in the areas of insulation, cooling systems, home thermostats and commercial lighting. The programs are available through March 31, 2021 or while program funds last. Here is a rundown of the four programs:

Smart Thermostat Program

Provides a cash incentive of up to \$100 paid directly to residential customers to help cover the cost of installing a qualifying smart thermostat.

Attic Insulation Program

Provides cash incentives of \$0.15 / per square foot with a maximum incentive of \$300 per existing residential dwelling for attic insulation.

Cooling System Tune-Up Program

Provides a \$30 cash incentive to residential homeowners who have their cooling system tuned up by a HVAC contractor, regardless of what type or age of cooling system (air conditioner/air or water source heat pump).

Commercial LED Lighting Program

Provides cash incentives paid directly to commercial customers to help cover the cost of interior lighting upgrades and replacements.

These programs are available to customers of the Village of Ansley through its wholesale power partnership with the Municipal Energy Agency of Nebraska. For more information on these programs, contact Bill Moser at Ansley Utilities or go to www.nmppenergy.org/mean to download program guidelines and application forms.

NATIONAL PEACH ICE CREAM DAY – July 17

National Peach Ice Cream Day on July 17th sweetens the day with a few scoops at the peak of peach season.

Since peaches begin peaking in July, this celebration comes just in time. It also lands right in the middle of National Ice Cream Month. So, it's an excellent time to add peach ice cream to the growing list of flavors to choose from when it comes to frozen, creamy treats.

Generally speaking, there are two types of peaches – freestone and clingstone. The difference has to do with how the flesh comes away from the stone or the pit in the middle of the peach. When the meat comes away freely from the stone, the peach is a freestone peach; if the flesh clings to it, it's a clingstone.

While Georgia may be the first state to come to mind when we think of peaches, California actually leads the nation in production. In the United States, 20 states produce peaches commercially. Besides California and Georgia, the other two top producers are South Carolina and New Jersey. Pennsylvania and Washington grow a lot of peaches, too.

This sweet stone fruit makes delicious ice cream when it's very ripe and full of peachy juices. However, you don't have to use fresh peaches to make this ice cream. Buy frozen peaches if the grocery or farmer's markets don't have them in yet. The family will love making homemade ice cream together. The best part will be eating up the finished product on a hot summer day.

GRILLED CHILI-LIME CORN

INGREDIENTS

- 12 Corn, ears
- 1 Teaspoon chili powder
- 1/2 Teaspoon onion powder
- 1 Teaspoon Traeger Leinenkugel's Summer Shandy Rub
- 2 lime, juiced
- 1 Tablespoon lime zest

STEPS

1. Soak the ears of corn, still in their husk, in water for 4 to 8 hours.
2. When ready to cook, set temperature to 350°F and preheat, lid closed for 15 minutes.
3. Place corn directly on grill grates. Turn corn every 15 minutes for 45 minutes total cooking time.
4. Combine chili powder, onion powder, Summer Shandy rub, lime juice, lime zest and butter in an oven safe dish and place in grill for 10 minutes. Remove corn and butter from the grill.
5. Pull corn husk back, but not off and remove corn silk. Using the corn husk as a handle, brush the corn with the melted chili-lime butter. Enjoy!

When this second quadrant is completed our engineering firm Miller & Associates of Kearney will come in with a drone to record all the locations in that quadrant for the permanent mapping system. **The NW quadrant of Ansley which included everything north of Main Street from the railroad tracks east has been completed so residents in that area can now remove the pink flags. FOR RESIDENTS ON THE SOUTH SIDE OF MAIN STREET PLEASE DO NOT REMOVE THE PINK FLAGS MARKING LOCATIONS ON OR NEAR YOUR PROPERTY!** We realize mowing season has started, but once the Engineers have been in and recorded everything in the south side quadrant, we will provide an update that area has been completed and Bill will move to the final area which will be everything west of the railroad tracks. The Village will really appreciate your cooperation of leaving the flags in place to avoid doubling the work by having to remark. If you have any questions please call the utility department at 935-1400 or the Village office at 935-1467.

PROM & POST PROM 2020

VILLAGE OF ANSLEY BOARD OF TRUSTEES will have two positions open for the election in November, 2020.

Incumbents must file by July 15, 2020, and new filers by August 3, 2020. Please remember you must stop by the Village office to pay the \$10 filing fee first so you can take your receipt with you to the County Clerk's Office where you complete the filing forms. The terms of office are 4 years commencing in December, 2020. Call the Village office at 935-1467 with any questions.

AVTO FOOD PANTRY

We will pack boxes of food, instead of bags.

The boxes will be on a first come, first serve basis.

The contents of the boxes will be based on donations and food pantry supply.

We will be open from 6:00-7:00 pm at our Food Pantry location-708 Main Street.

Food Pantry Dates:

Aug. 20th

Please/text 308-212-0302 if you would like to reserve a box for your family.

Custer County Foundation awarded a Playground Equipment grant (\$6,000) that will be used at the Lake Park for a new swing set and merry-go-round!

There were also funds (nearly \$2000) from the playground equipment company granted!

However, we are still lacking funds for surfacing the area with rubber mulch and greatly appreciate any donation; large or small to update our park!

Please make your donation to:

Spartan Foundation

FOR THE HEARTLAND

July 14, 2020

Dear Staff, Parents/Guardians, and Patrons:

We would like to take this opportunity to inform you of Ansley Public School's plans for the 2020-2021 school year. At the July 13th School Board meeting, the Ansley School Board adopted the following resolution:

WHEREAS, the safe and effective education of our students by our staff is the primary objective of Ansley Public Schools; and

WHEREAS, the educational experience provided by Ansley Public Schools is much deeper than that which can be provided through remote learning; and

WHEREAS, Ansley Public Schools respects the rights of parents to make decisions pertaining to their own children on issues such as wearing face coverings or gloves while in attendance at the school;

THEREFORE, let it be resolved that Ansley Public School will open fully and on-time for the 2020-2021 school year, without substantial changes to current policies and practices, unless mandated by the Governor of Nebraska or other official with actual authority to do otherwise; and

THEREFORE, let it be resolved that Ansley Public School will allow individual staff and students to make their own decisions based on their own circumstances regarding face coverings while on school property or at school activities, unless otherwise required or permitted by law.

With that being said, the school year for our students will begin on Monday, August 17th. While we are very excited to have students and staff back in our building, we are very determined to keep our building as safe as possible. Over the coming weeks, we will continue to work with local health officials, the Nebraska Department of Education, and the Nebraska School Activities Association to establish and implement protocols that will help us do just that.

We will be hosting an Open House for students and parents on August 13th. We will, however, be doing this a little bit differently than in the past. The Open House will be a great opportunity for students and parents to meet teachers, to discuss new safety procedures and precautions, to fill out necessary paperwork, and to drop off school supplies. You will be receiving a postcard in the mail with the details about Open House in the coming weeks.

We will also be welcoming some new faces to Ansley Public School this year. Joining our staff will be Cami Bergman – Special Education, Michelle Valdez – HS Science and JH Math, and Mitchell Sloggett – Physical Education and Health.

We will do our best to communicate any changes or issues that arise. In the meantime, you can stay informed by checking our NEW website (www.ansleypublicschool.org) and our Facebook page. If you have further questions or concerns, please do not hesitate to contact the school. We thank you for your patience, and we look forward to seeing you very soon!

Heidi Fessler, Principal
Gordon Goodman, Superintendent
