C. Meter Deposits

1. Each customer of the electric light plant and distribution system of the Village of Ansley, Nebraska applying for electrical service from and

after the effective date of this ordinance shall pay an initial meter deposit of \$150.00 for each meter or the average monthly electrical bill, whichever is higher.

II. Service Beyond Corporate Limits

The Village of Ansley, Nebraska, by resolution of its Chairman and Board of Trustees shall have the power and authority to contract with any person, persons, association or corporation, including other municipalities, to sell electric current for light, heat and power purposes beyond its corporate limits, when in the judgment of the Chairman and Board of Trustees, it is beneficial to the Village to do so. The Village shall not incur any cost or expense beyond its corporate limits in providing the means of such service except as may hereafter be authorized by law. Such service shall not be instituted or continued except to the extent that the facilities of the Village for supplying service are in excess of the requirements of the inhabitants of the Village. For furnishing electric service beyond its corporate limits, subject to the above conditions, said Village may establish rates with such person, persons, association or corporation, including municipalities, without regard to the rates specified in the foregoing schedules: Provided, however, that the contract rates made shall be uniform so far as it affects the users of equal amounts of current under such contract.

III. Discrimination

No electric current shall be furnished to any consumer under any other rate than as provided in this section, and there shall be no discrimination in rates as between consumers using equal amounts of current for the same purpose.

Section 2. Production Cost Adder. The Chairman and Board of Trustees may by resolution add to the above rates an additional monthly charge based on the increased cost of production of electricity by the Village because of an increase in cost of fuel and oil or an increase in cost of electricity to the Village from its suppliers of electricity, and the additional charges to the customer by reason of this provision shall be designated on the bill rendered to the customer to show a rate adjustment or production cost adder.

Section 3. That Ordinance No. 388 of the Village of Ansley, Nebraska and all other ordinances of said Village or parts thereof in conflict with this ordinance are hereby repealed.

Section 4. This ordinance shall take effect and be in full force from and after its passage, approval, and publication or posting as required by law.

Section 5. That this ordinance shall be published in pamphlet form within 15 days from this date and also by posting a written copy in each of three public places in the Village, to-wit: the Security State Bank, the Village Clerk's Office and the United States Post Office.

Passed and approved this 16th day of September, 2002.
